SIDE EVENT

Interagency Coordination for Sustainable Urbanization

**UN-Habitat, Partners and Inter-agency Coordination Branch, Office of
External Relations**

Background

The purpose of the event will be for focal points from UN-Habitat's partner organizations in the UN system to discuss: a) UN system agency contributions to the New Urban Agenda, b) Coordination of the UN System on SDG 11 in the post-2015 Development Agenda, and c) Delivering as ONE –implementation in the field with executive direction and the challenges/prospects of joint programming (in implementation of the New Urban Agenda, SDG 11 and UN-Habitat's work programme).

Purpose

The meeting is directly relevant to the theme of the 25th Governing Council in that it will discuss UN-system wide coordination for the "post-2015 development agenda" in "promoting sustainable urban development and human settlements". It is further relevant to UN-Habitat's mandate as working more effectively with partners in the UN system has been identified as part of the 2014-2019 Strategic Plan and biennial work programme.
