

CONSULTANT VACANCY ANNOUNCEMENT

Issued on: 27 February 2015

ORGANIZATIONAL LOCATION:	UN-HABITAT
DUTY STATION:	Madrid, Spain
FUNCTIONAL TITLE:	Consultant for Administrative and Logistic Support
DURATION:	4 months (15 March 2015- 15 June 2015)
CLOSING DATE:	12 March 2015

BACKGROUND

This post aims to provide administrative support to the UN-Habitat Office in Spain in the development of the operational activities related to project “UN-Habitat Office in Spain: Towards a New Urban Agenda” (Phase II). The project is funded Barcelona City Council and the Regional Government of Andalusia and is implemented by the UN-Habitat Office in Spain under the RMPU /Urban Planning and Design Branch.

Enhanced work on urban planning is strategic to reinforce the convening capacity of the agency at local and national level, and within the UN community, both in developing and in developed countries. Strengthening UN-HABITAT's presence in Spain and its capacity to deliver in key components of its agenda will enable the Agency to support more effectively the national and local authorities in achieving sustainable urban development. The coordinated work of UN-Habitat in Spain with local partners but also with Branches, Units, Regional and Country Offices within UN-Habitat will contribute to the agency to become a more effective platform in raising profile of urbanization challenges to a broader audience that could be transform in increasing contributions and strategic partnerships.

In this way, the purpose of this project is to strengthen this framework of collaboration while empowering partners to exchange experiences and best practices in urban planning and other sustainable urban development issues.

In order to facilitate this exchange UN-Habitat is proposing a series of activities for 2015 that relate to:

- (i) promoting UN-Habitat knowledge management and sharing information initiatives, such as experts groups meetings, training, innovation support and solutions facilitation, on issues related to urban planning and sustainable urban development,
- (ii) providing technical assistance in response to requests from cities and countries to UN-Habitat regarding urban planning and sustainable urban development.
- (iii) raising awareness in regards to effective urban planning and sustainable urban development among governments, local authorities, and other Habitat Agenda Partners by promoting the celebration of institutional events and the dissemination of the UN-Habitat areas of work with the objective of reflecting sustainable urban development approach in national and local debates and strategies influencing resource allocation at all levels.

RESPONSIBILITIES

The consultant will provide administrative and logistical support to the activities developed within the framework of the project. Specifically, the consultant will provide support to the development and implementation of the operational activities, also supporting management functions in accordance with the UN and UN-Habitat rules and regulations.

For the terms of this specific project, the incumbent will be under the direct supervision of the UN-Habitat Office in Spain in close collaboration with the RMPU and the Urban Planning and Design Branch. The Ministry of Public Work in Spain that host the UN-Habitat Office in Spain will provide office space in Madrid.

Under the general supervision of the Project Coordinator, the incumbent will undertake the following tasks:

Administrative and Management Support:

- Supports management aspects / project management and related activities, including the provision of adequate human resources, the timely preparation and execution of contracts and cooperative agreements with governments and other partners.
- Supports administrative arrangements for all meetings and workshops under the project (including process of all suppliers' contracts and follow up on their payment).
- Researches, compile and organize information and reference materials from various sources for reports, work plans, studies, briefings, meetings/conferences, etc, and supports the preparation of various brochures, documents and inputs from the UN-Habitat Office in Spain to any publication or report.
- Assists in the preparation of the progress reports, background documents, related documentation as well as presentations and advocacy materials.

Logistical support:

- Supports logistical arrangements for all meetings and workshops under the project (including contact and selection of all providers).
- Prepares and updates logistics documents to ensure smooth progression of the EGM (including tools such as calendars or logistics check lists)
- Serves Focal point for all logistical requests during the EGM (with participants and suppliers)

COMPETENCIES (maximum of five)

Professionalism: Demonstrates professional competence and mastery of subject matter.

Project management: Ability to organize, motivate and control resources, procedures and protocols to achieve specific goals and to optimize the allocation of necessary inputs and integrate them to meet pre-defined objectives.
