

FORUM BANDAR SEDUNIA

KUALA LUMPUR • 7-13 FEB 2018

THE NINTH SESSION OF  
THE WORLD URBAN FORUM  
Kuala Lumpur, Malaysia  
7-13 February 2018

# CPR subcommittee

20 September 2017, Nairobi  
(Next steps)

**UN HABITAT**  
FOR A BETTER URBAN FUTURE

IMPLEMENTING  
THE NEW  
URBAN AGENDA

## A unique opportunity

### Relevance of WUF9

- First one after the adoption of the SDGs and the New Urban Agenda.
- Recognition of its key role as a platform to collect inputs from the multilateral organizations and stakeholders into the reporting of the implementation of the New Urban Agenda.
- During the “High Level Meeting of the General Assembly on the effective implementation of the New Urban Agenda for the implementation of the New Urban Agenda and the achievement of the Sustainable Development Goals”, Member States reaffirmed the key role of the World Urban Forum in several statements.

IMPLEMENTING  
THE NEW  
URBAN AGENDA

## Why to attend WUF?

- A place to meet with urban experts from a diverse background and scope of work (governments, stakeholders, and academia at the global, regional, national or subnational level)
- A place where to be part of a global process within the United Nations (reporting on the New Urban Agenda)
- A place in which to contribute to the global development vision and sustainable urbanization (UN stakeholders forum)
- A place where to learn on urban solutions that could be replicated (WUF9 Village, WUF9 exhibition, other events)
- A place where to look for new partners or financing opportunities (WUF9 connect)
- A place where to showcase experiences, projects, research, data and latest innovations (networking, side and training events, among others)
- A place where voices are heard as an urban expert (gender and age mainstreaming, grassroots, least developed countries)
- A place to find what is unexpected... ONLY CONFERENCE WITH SUCH A MIX OF AUDIENCE, POSSIBILITIES AND IMPACT

**UN HABITAT**  
FOR A BETTER URBAN FUTURE

IMPLEMENTING  
THE NEW  
URBAN AGENDA

## UN-Habitat expertise

- Convening power (WUF7 and previous WUFs)
- Mobilize and coordinate efforts towards the implementation of the New Urban Agenda, as a focal point
- Development of AFINUA as a tool for implementing the New Urban Agenda
- Fundraising opportunities
- Research and data on sustainable urbanization demonstrating an understanding of the changing nature of urbanization
- Built partnerships with urban experts and stakeholders at all levels
- Long-term experience and knowledge in both normative and operational (technical cooperation) work to deliver on urban dimensions of SDGs and the implementation of the New Urban Agenda
- Knowledge products, feeding into the reporting on the implementation of the New Urban Agenda and the urban dimension of SDGs
- Effective and replicable field operations at country level (e.g. in over 40 LDCs) with key local partners (e.g. governments, local governments, private sector, civil society)

IMPLEMENTING  
THE NEW  
URBAN AGENDA

## Focus on results and impact (UN-Habitat delivery)

- WUF9 will focus on being a tool for UN-Habitat to achieve the work plan 2018-2019, as part of the Strategic Framework 2014-2019.
- It will also serve UN-Habitat to identify dynamics and emerging challenges to shape the draft Strategic Framework 2020-2025.

Subprogramme	Expected accomplishments (based on WP&B18-19)	Indicators of achievement (based on WP&B18-19)	Outputs to be delivered at WUF9 (based on WP&B18-19)	Other specific WUF Based objectives	Indicators of achievement	Proposed activities and outputs (including Pre-WUF and Follow-up activities)	Synergy with other Subprogrammes and Regional strategies

## STAY TUNED FOR QIP 2.0!

While we continue to welcome commitments to the New Urban Agenda, we're also working hard to bring you an enhanced platform with more features, interactivity, and networking functions to bring you QIP 2.0 in the lead-up to World Urban Forum 9! Stay tuned!

Urban Ecology and Environment

## Follow-up and review of the New Urban Agenda

- contributions of national, subnational and local levels of government
- supplemented by contributions from the United Nations system, regional and subregional organizations, major groups and relevant stakeholders
- a continuous process
- creating and reinforcing partnerships among all relevant stakeholders by identifying the key/relevant actors at global, regional, national and subnational levels, their specific strengths and contributions and capacity needs in the implementation, follow-up and review of the New Urban Agenda
- fostering exchanges of urban solutions and mutual learning
- facilitating public private partnerships and increased private investments to scale up sustainable urban development initiatives
- facilitate knowledge generation and exchange among partners in ways that replicate and scale up good practices

IMPLEMENTING  
THE NEW  
URBAN AGENDA

## Report on the implementation of the New Urban Agenda

- Qualitative and quantitative analysis of the progress made in the implementation of the New Urban Agenda and internationally agreed goals and targets relevant to sustainable urbanization and human settlements
- Based on the activities of national, subnational and local governments, UN-Habitat, other relevant entities of the United Nations system, relevant stakeholders in support of the implementation of the New Urban Agenda and the reports of the UN-Habitat Governing Council
- Inputs of multilateral organizations and processes where appropriate, civil society, the private sector and academia

### Next steps

On-going internal process to propose a framework on the reporting of the implementation of the New Urban Agenda. Innovative, integrated, inclusive, and participatory means of reporting on the implementation of the New Urban Agenda
