THE NINTH SESSION OF
THE WORLD URBAN FORUM
Kuala Lumpur, Malaysia
7-13 February 2018

CPR Subcommittee

13 December 2017, Nairobi

WUF9 RESULTS ORIENTED FRAMEWORK

FORUM BANDAR SEDUNIA

KUALA LUMPUR - 7-13 FEB 2018

UN HABITAT
FOR A BETTER URBAN FUTURE

IMPLEMENTING
THE NEW
URBAN AGENDA

WUF9 PROCESS

- Building on WUF7 Logframe (lessons learnt)
- Shaping expected accomplishments based on WP&B 2018-2019 and the new context post-2015 and the New Urban Agenda (new role for UN-Habitat)
- Including the regional/country perspectives from the beginning of the exercise (regional logical frameworks)
- Meetings with all subprogrammes and regional offices to elaborate the WUF9 logical framework based on a medium-long strategy and linkages with other subprogrammes and regional offices
- Discussions on the logframes from September to December 2017
- Creation of “priority tracks” and a “matrix” per each track

URBAN AGENDA

SUBPROGRAMME 1

URBAN LAND, LEGISLATION AND GOVERNANCE

FORUM BANDAR SEDUNIA

KUALA LUMPUR - 7-13 FEB 2018

UN HABITAT
FOR A BETTER URBAN FUTURE

IMPLEMENTING
THE NEW
URBAN AGENDA

Expected Accomplishment (based on WP&B 18-19)

- Increased capacity of local and national governments and other partners to implement urban legislation in the areas of urban extension, densification, urban planning and finance
- Increased capacity of partner local and national governments and other partners to implement programmes that improve security of tenure for all, including for vulnerable groups, women, young people and indigenous people
- Increased capacity of partner local and national governments and other partners to develop and adopt or adapt policies, plans and strategies that strengthen decentralized governance and inclusive urban management and safety

Outputs to be delivered at WUF9 (based on WP&B 18-19)

- Regional comparative analysis in priority essential law themes under Agenda 2030 and the New Urban Agenda
- Awareness raising materials in urban law
- Information management for quality urban law
- Improving knowledge and awareness of partners on land-related policy, institutional and technical frameworks, tools and approaches to increase tenure security
- Regional dialogues on land and conflict
- Support to the development of pro-poor and fit-for-purpose land policy
- Promoting participatory and inclusive land readjustment
- Guidelines on safer cities

Specific WUF Based Objectives

- Awareness of legal effectiveness benchmarks for planning law raised and political support gained for new models
- Promoting/ (Awareness of) Planning Law Assessment Framework
- Raise Awareness of human rights impact of planning law
- Increased use of UrbanLex database and active participation and partnership
- Recognition of and engagement with UN-Habitat/ GLTN's practical land governance and tenure security tools for sustainable inclusive urbanization.
- New partnerships with national and local authorities to support Phase 3 GLTN
- Expanded Donor base for GLTN Phase 3
- Increased number of partners implementing urban safety initiatives
- Financial and political support from key implementing partners is mobilized under the Global Partnership Initiative on Safer Cities and to implement the United Nations Guidelines on Safer Cities
- Knowledge on the integration of crime prevention policies in urban strategies and interventions increased at governmental level
