As part of the United Nations (UN) Secretariat, UN-Habitat implements its ethics related activities with the support of the UN Ethics Office. Currently, the Legal Unit serves as the focal point for all ethics related activities. It carries out these functions with the support of the Office of the Executive Director (OED), Human Resources Liaison Office and the Conduct and Discipline Focal Point.

The 2019 Annual Report, A/75/82, was submitted by the Secretary-General to the General Assembly pursuant to General Assembly resolution 60/254, “Review of the efficiency of the administrative and financial functioning of the United Nations,” which the Assembly requested the Secretary-General to report annually on the activities of the UN Ethics Office and implementation of ethics policies.

This presentation summarizes the Annual Report and highlights the activities and milestones undertaken by UN-Habitat as a UN Secretariat agency in implementing the activities and policies of the UN Ethics Office within UN-Habitat.
The objective of the UN Ethics Office is to assist the Secretary-General in ensuring that staff members observe and perform their functions consistent with the highest standards of integrity required by the Charter of the United Nations through fostering a culture of ethics, transparency and accountability. The UN Ethics Office was established by the Secretary-General as an independent unit of the Secretariat, pursuant to paragraph 161 (d) of General Assembly resolution 60/1 and works closely with ethics focal points in each entity to handle ethics issues.

Pursuant to Secretary-General’s bulletins ST/SGB/2005/22, ST/SGB/2007/11 and ST/SGB/2007/11/Amend.1, the functions of the UN Ethics Office, as implemented locally within UN-Habitat, include:
(a) Providing confidential advice and guidance to staff on ethical issues, including administering an ethics helpline;

(b) Administering the organisation’s financial disclosure programme;

(c) Administering the organisation’s policy on protection against retaliation for the responsibilities assigned to the Ethics Office;

(d) Developing standards, training and education on ethics issues, in coordination with the Office of Human Resources and other offices, and conducting ethics-related outreach; and

(e) Supporting ethics standard-setting and promoting policy coherence within the Secretariat and among the Organization’s separately administered organs and programmes.

- Reports of unsatisfactory conduct particularly those of retaliation are now being streamlined and handled more efficiently and expeditiously;
- Complainants are now fully protected and accorded due process fit-for-purpose in line with United Nations System-wide reforms on handling of retaliation complaints;
- Worked with the Ombudsman Office in Nairobi and undertook civility trainings in UN-Habitat regional and outposted office; (Colombia, Bolivia, Brazil, Somalia, Ethiopia, Iraq, Cairo)
- Assisted in the compilation, review and finalization of the UN Secretariat Annual Report on matters pertaining to ethics in UN-Habitat;

ACTIVITIES OF UN-HABITAT IN 2019/2020

(v) Leadership Dialogues:

With the support of the UN Ethics Office, UN-Habitat conducted leadership dialogue sessions on ethics related issues with a participation rate of 97% for the year 2019 and an expected participation rate of 100% for 2020. The topics covered since the first dialogue session include:

- “What Does It Mean to be an International Civil Servant?”
- “Fulfilling our Mission: Taking Individual Responsibility”
- “Fraud awareness and prevention: How do I fit in?”
- “Standards of Conduct: What’s Expected of Me?”, “Speaking up: when does it become whistle-blowing?”
- “Conflicts of interest: why do they matter?”
- “Acknowledging Dignity through Civility: How can I communicate for a more harmonious workplace?”
As earlier indicated, the Legal Unit with the support of the Executive Office, is handling all ethics related requests and queries. This is putting a strain on the Legal Unit in delivering its normal functions. Therefore, it is recommended, subject to availability of funds, for UN-Habitat to establish an ethics function that will serve as a liaison with the UN Secretariat Ethics Office and the focal point for handling all ethics related requests within UN-Habitat.
