

# Webinar: Benefits of cities for higher ambition NDCs and post-COVID recovery

17 November 2020  
17:00 – 18:30 EAT  
15:00 CET  
09:00 EST

The main objective of this event is to discuss how NDCs can be used by national and local government to drive sustainable urbanization in the post-Covid recovery. Integrating and coordinating national and local climate action will enable scaling up and accelerating action on climate change. Let's discuss and learn how this can be done!
