List of non-governmental organizations in consultative status with the Economic and Social Council as of 31 December 2022*

Note by the Secretary-General

The non-governmental organizations that are in consultative status as of 31 December 2022, including those added as a result of action taken by the Economic and Social Council at its management meetings held in 2022, are listed below.**

---

* The list of organizations is compiled from the updated information on the ICSO database. Annotations on reclassifications of status are being updated.

* There are 142 organizations in general consultative status, 5,235 in special consultative status and 966 on the Roster, for a total of 6,343 non-governmental organizations listed. The year in which an organization was granted status with the Council is given in parentheses, after the organization’s name, except where that information is not available.

** Due to constraints related to the continuing impact of the coronavirus disease (COVID-19) on the working arrangements of the Council and sessions of its subsidiary bodies, the 2020 resumed session of the Committee did not take place as scheduled. The 2021 and 2022 regular and resumed sessions of the Committee on NGOs were also rescheduled due to the continuing impact of the pandemic. The 2022 resumed session of the Committee on NGOs was held from 29-31 August, 1-7 September and 15 September 2022. The Economic and Social Council considered the report of the Committee and endorsed its decisions on 7 December 2022.
