UN-Habitat resource mobilization overall progress (2020 – 28 February 2022)

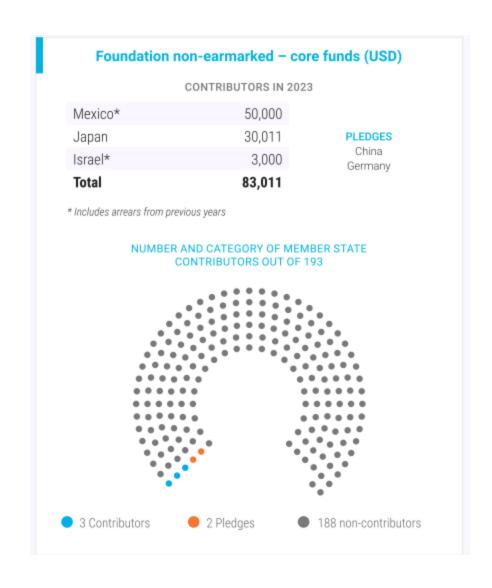

Income trends by fund 2016-2022 and Performance in 2022 (As of 15 November 2022)

TOTAL CONTRIBUTIONS	In 2022 (as of 31 December), UN-Habitat acquired 156.7 Million USD (64% of the total target of 2022).
Regular Budget	Consistent. The acquisition for the Regular Budget in 2022 has slightly exceeded the yearly target by 3%.
Foundation Non-earmarked	A significant increase in the Foundation Non-earmarked funding, USD 7.3 Million which is the highest among the last 6 years. Although it didn't meet the target of USD 12 million, it well exceeded the expenses under the austerity measures and realistic budget control, resulting in a reserve of over USD 5.5 million in the core fund.
Foundation Earmarked	Foundation earmarked budget for normative activities has acquired USD 29.6 Million in 2022 (43% of the yearly target). This does not include the amount that has been signed in agreements yet to be transferred.
Technical Cooperation	Technical cooperation has received USD 106.1 Million in 2022 (71% of the yearly target). This does not include the amount that has been signed in agreements yet to be transferred.
