

Achieving SDGs in times of global crises

Donor Appreciation Event: Together We Make It Possible: Celebrating Our Donors and Investing in Impact

 6 JUNE 2023, 13:15 – 14:00

 Press Centre

SUMMARY

The Donor Appreciation Event, themed “*Together We Make It Possible: Celebrating Our Donors and Investing in Impact*”, is a special event during the second session of the United Nations Habitat Assembly to be held on 5 to 9 June 2023. This interactive Event is designed to acknowledge and honor the invaluable contributions of our donors and partners in implementing the New Urban Agenda and UN-Habitat’s Strategic Plan. The support of our donors and the partnerships we have built have been instrumental in our achievements thus far.

During the event, the Executive Director of UN-Habitat will introduce the journey we made together and express our sincere gratitude for the unwavering support received. We will also highlight the importance of our esteemed donors and provide a platform for them to share their perspectives on “Why Support UN-Habitat”. Furthermore, this event will offer an opportunity for donors and partners to announce their recent contributions and collaborations with UN-Habitat.

Moreover, we will showcase our innovative funding and financing mechanisms, as well as outline the key areas of our future work. We believe that this event will serve as a catalyst for exploring new partnership opportunities and inspiring greater commitments towards the promotion of sustainable urbanization.
