

Ethiopia

UN-Habitat Country Programme since 1998

The office at a glance: 19 staff + \$3.7 million portfolio

Key Country challenges: rapid urbanisation, inadequate implementation of spatial plans; huge housing deficit; insufficient municipal revenues; technical capacity gaps at local level; increased disaster and climate-related vulnerability.

Key areas of work:

Urban and regional planning

Capacity building for sustainable urban development

Urban green spaces, Non-motorized transport and innovative solid waste management

Building resilience for displacement and disaster affected communities

Reduced spatial inequality and poverty in communities across the urban - rural continuum

Enhanced shared prosperity of cities and regions

Strengthened climate action and improved urban environment

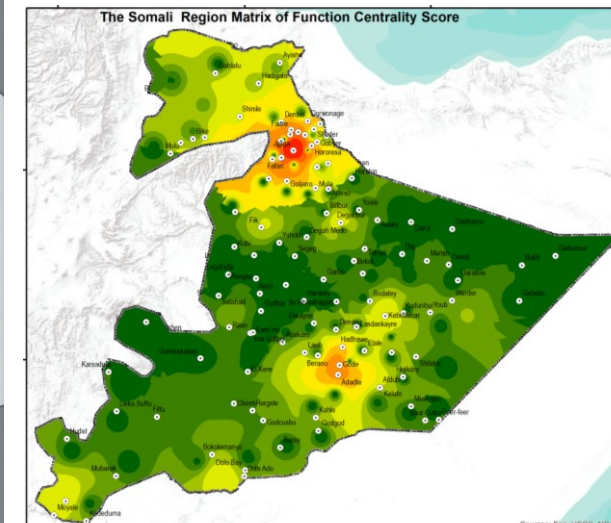

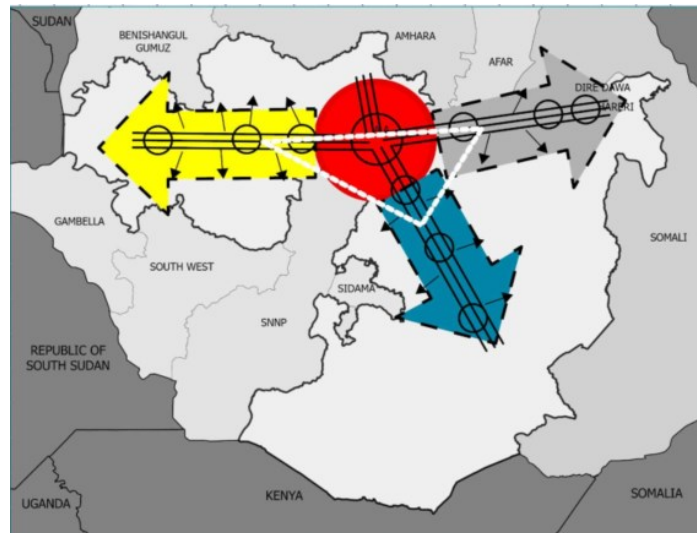

Effective urban crisis prevention and response

Urban and Regional Spatial Development Planning

Nine regional states have successfully approved their RDSP plans and implementation strategies

- Sustainable Land Use & Environmental Protection
- Economic Growth & Investment
- Improved Infrastructure & Mobility
- Social Equity & Inclusion
- Disaster Resilience & Climate Adaptation
- Efficient Governance & Policy Implementation
- Donor (Ministry of Urban & Infrastructure)

Capacity-building for sustainable urban development

- Reached more than 200 city leaders and other actors from cities (*Addis Ababa; Dire Dawa; Adama; Debre Birhan; Desie; Harar; Jigjiga; Hawassa; Arbaminch*), regional and federal levels to design, implement and monitor urban development-focused interventions.
- Donor (Government of Sweden)

Developing green spaces through integrated urban planning

Public Space projects in Addis Ababa; Bahir Dar; Hawassa; Harar

- Environmental benefits
- Health & Well-being
- Social & Community Benefits
- Climate Resilience & Sustainability
- Enhanced quality of life
- Donor (Government of Sweden & Microsoft)

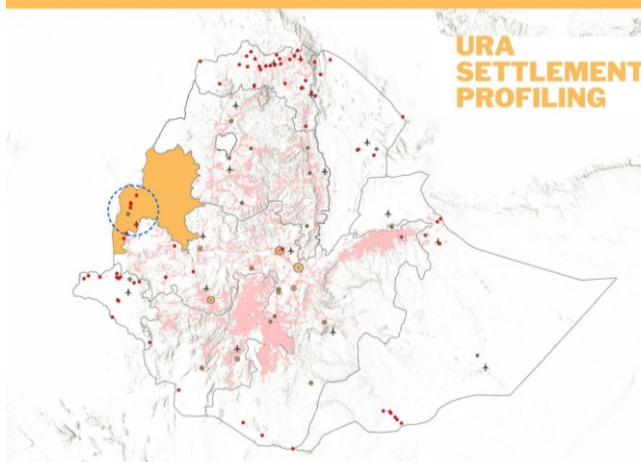

Building resilience of the urban poor, for displaced and disaster-affected communities, refugees and returnees

- Livelihood & Economic Empowerment
- Climate & Disaster Resilience
- Access to Basic Services
- Social Cohesion &
- Community Engagement
- Partnership (with UNHCR, IOM, WHO, ILO and FAO)
- Donors (Government of Sweden, Swiss Agency for Development and Cooperation, Spanish Agency for International Development Cooperation, Migration Multi-Partner Trust Fund)
