Third meeting of the OECPR

Intervention of Morocco on agenda item 2: Report of the Committee of Permanent Representatives to the United Nations Human Settlements Programme on the work of its second open-ended meeting.

Thank you Mr Chairman,

Morocco is taking the floor to draw your attention, and that of the secretariat and of members of this Committee, on **two existing factual errors in the report, and proposes the following needed corrections :**

1- On paragraph 9 of section “C” entitled: *“Adoption of the agenda and the workplan for the second open-ended meeting of the Committee of Permanent Representatives”*:

We request to add Morocco among member States who have attended and participated to the meeting.

2- In paragraph 30 under section V entitled: *“Preparation of draft resolutions, declarations and decisions of the second session of the United Nations Habitat Assembly, including on the dates and provisional agenda of the third session”*, Morocco would like to inform **that its delegation has introduced, on behalf of the AG the draft resolution on urban planning and sustainable infrastructure, and not Nigeria as indicated, and is requesting its rectification.**

Morocco is requesting the secretariat **to rectify these factual errors accordingly.**

I thank you.
