

# Strategic Plan 2026-2029

---

10 September 2025

# The challenge: A global housing crisis

- **2.8 billion** people affected by housing inadequacy
- **1.1 billion** people living in informal settlements and slums
- **300 million** plus homeless people

# Adequate housing for all: a fundamental human right

## 7 dimensions of adequate housing

# Housing at the center

# Strategic Plan 2026-2029: Key elements

## Strategic focus

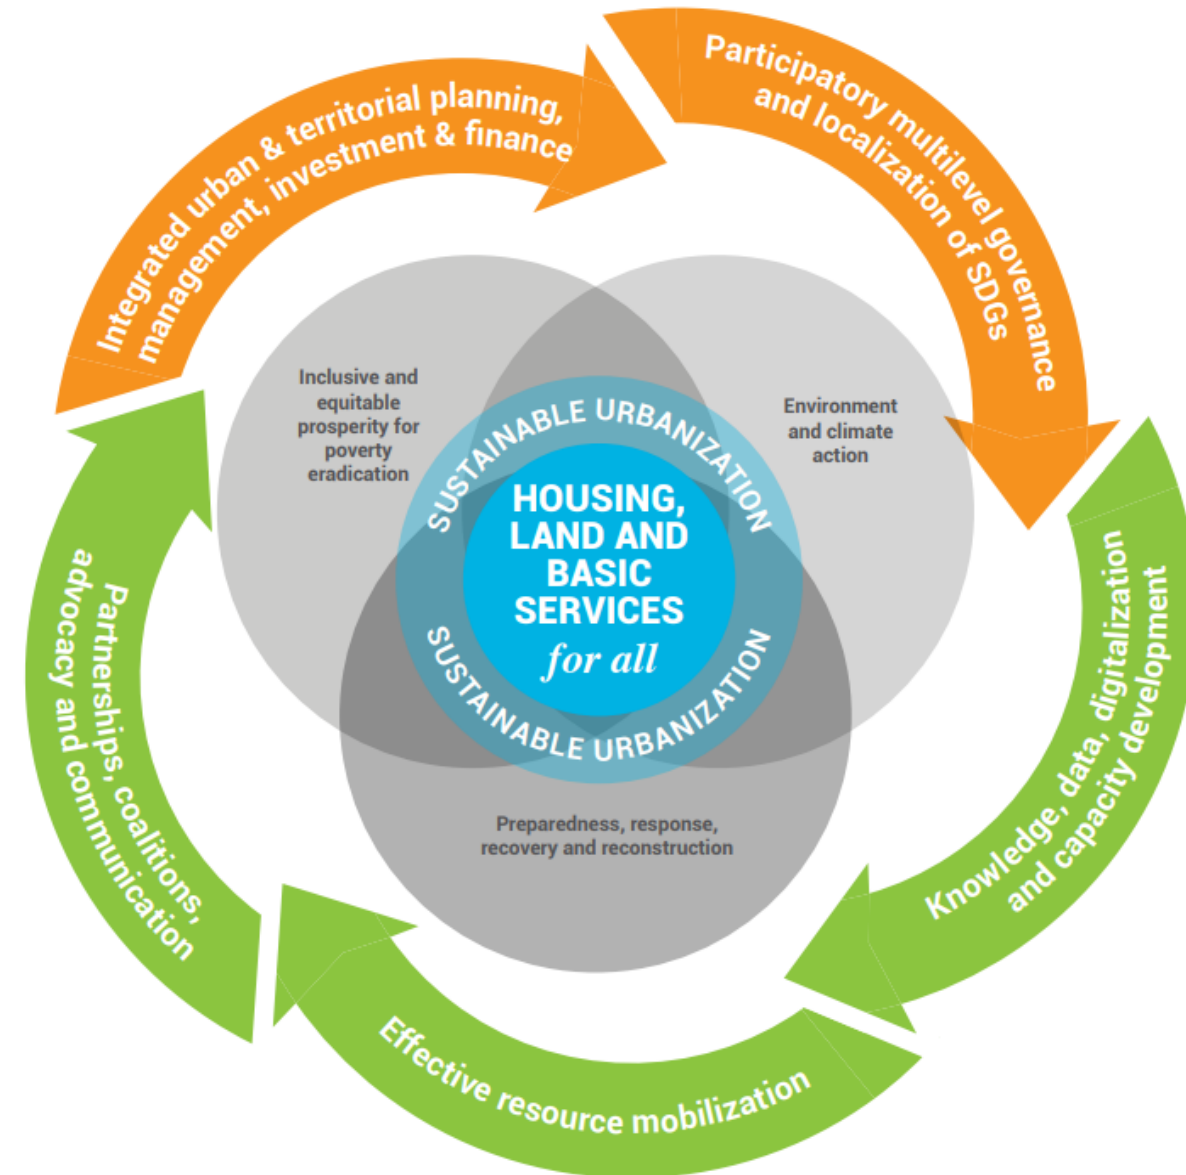

Housing, land and basic services for all

## Impact areas

1. Equitable and inclusive prosperity for poverty eradication
2. Environment and climate action
3. Preparedness, response, recovery, and reconstruction

## Means of implementation

1. Integrated urban and territorial planning, management, investment and finance
2. Participatory multilevel governance and localization of the Sustainable Development Goals
3. Knowledge, data, digitalization and capacity development
4. Partnerships, coalitions, advocacy and communication
5. Effective resource mobilization

# Implementation and monitoring

## Implementation

Strategic Plan
overall implementation guidance
global action plans per mean of implementation
implementation guidance per region
Annual Work Programme & Budget

## Monitoring

	<i>key elements</i>	<i>planned results</i>	<i>monitoring indicators</i>
strategic plan	<b>IMPACT AREAS</b> <b>STRATEGIC FOCUS</b> <b>MEANS OF IMPLEMENTATION</b>	<b>impact</b> [indirect influence]	<b>SDG &amp; GUMF indicators</b>  <b>core indicators</b> [adapted from SP 2020-2025]
	<b>ACTIONS</b> as “activities” in Annual Work Programme and Budget	<b>outputs</b> [full control] as “results” in Annual Work Programme and Budget	<b>performance measures</b> in Annual Work Programme and Budget
