UN-HABITAT

Agenda item 2b:

Status of implementation of all resolutions adopted by the United Nations Habitat Assembly

74th meeting of the AHWG on PBA
25 February 2026

2026-2029 Strategic Plan alignment with UNHA resolutions

UN-HABITAT

Resolution 2/2- Accelerating the transformation of informal settlements and slums by 2030

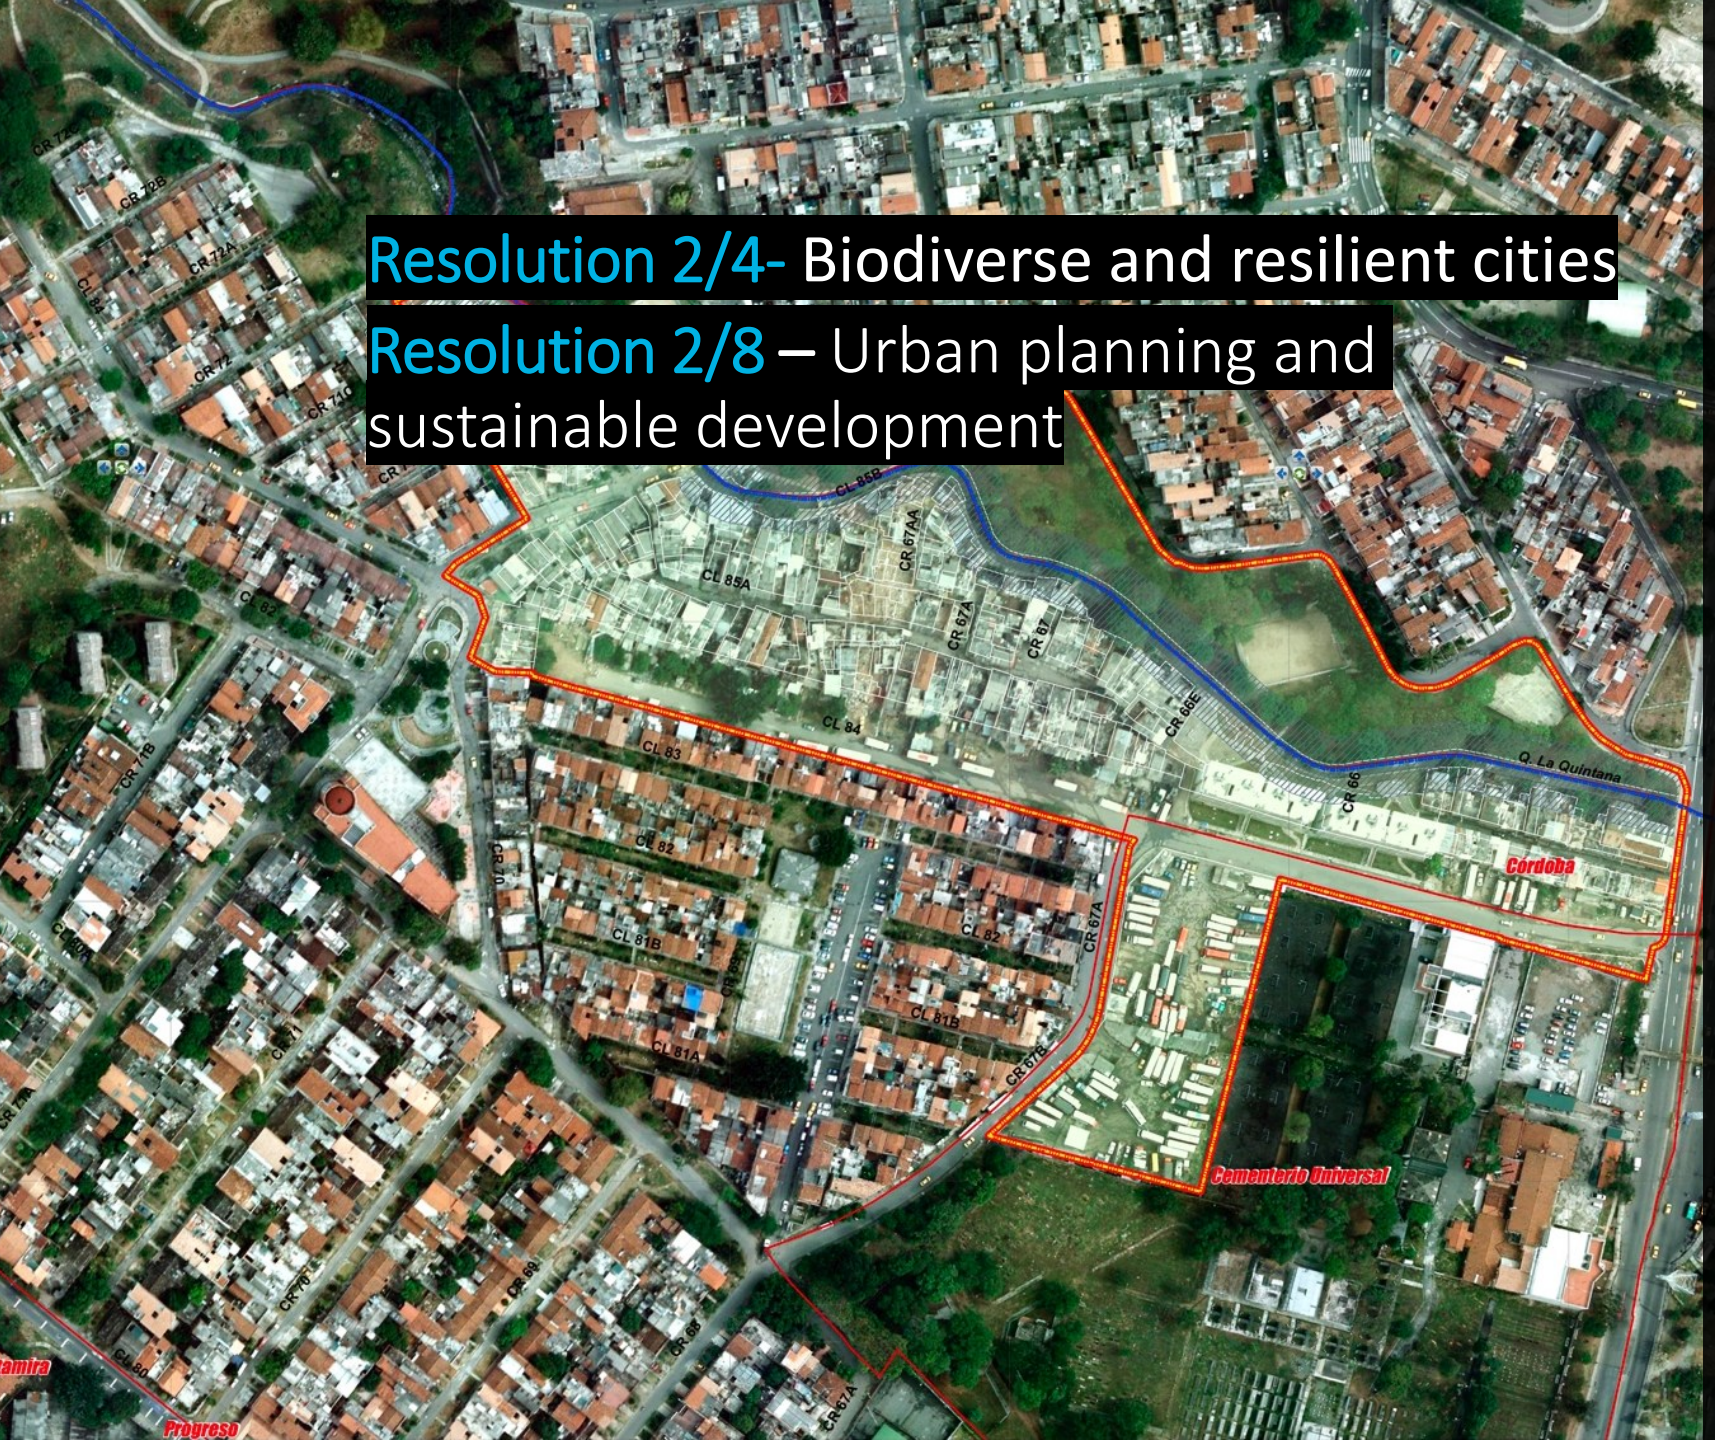
Resolution 2/7 – Adequate Housing for All

- SADC subregional strategy for slum and informal settlements transformation is under development
- Informality Taskforce of Cities Alliance has started consultations with its members on how to operationalize the 10 areas of action
- The meetings of the Open-Ended Intergovernmental Expert Working Group on Adequate Housing for All (OEWG-H) identified informal settlements as a key area of focus
- Azerbaijan and Somalia elected as co-chairs of the OEWG-H
- Intersessional meetings in June and October 2025 discussed themes such as housing finance, tenure security, definitions of homelessness and informal settlements, and the Housing Monitoring Framework.

UN-HABITAT

Outcome 1
Urban & territorial planning, management, investment and finance

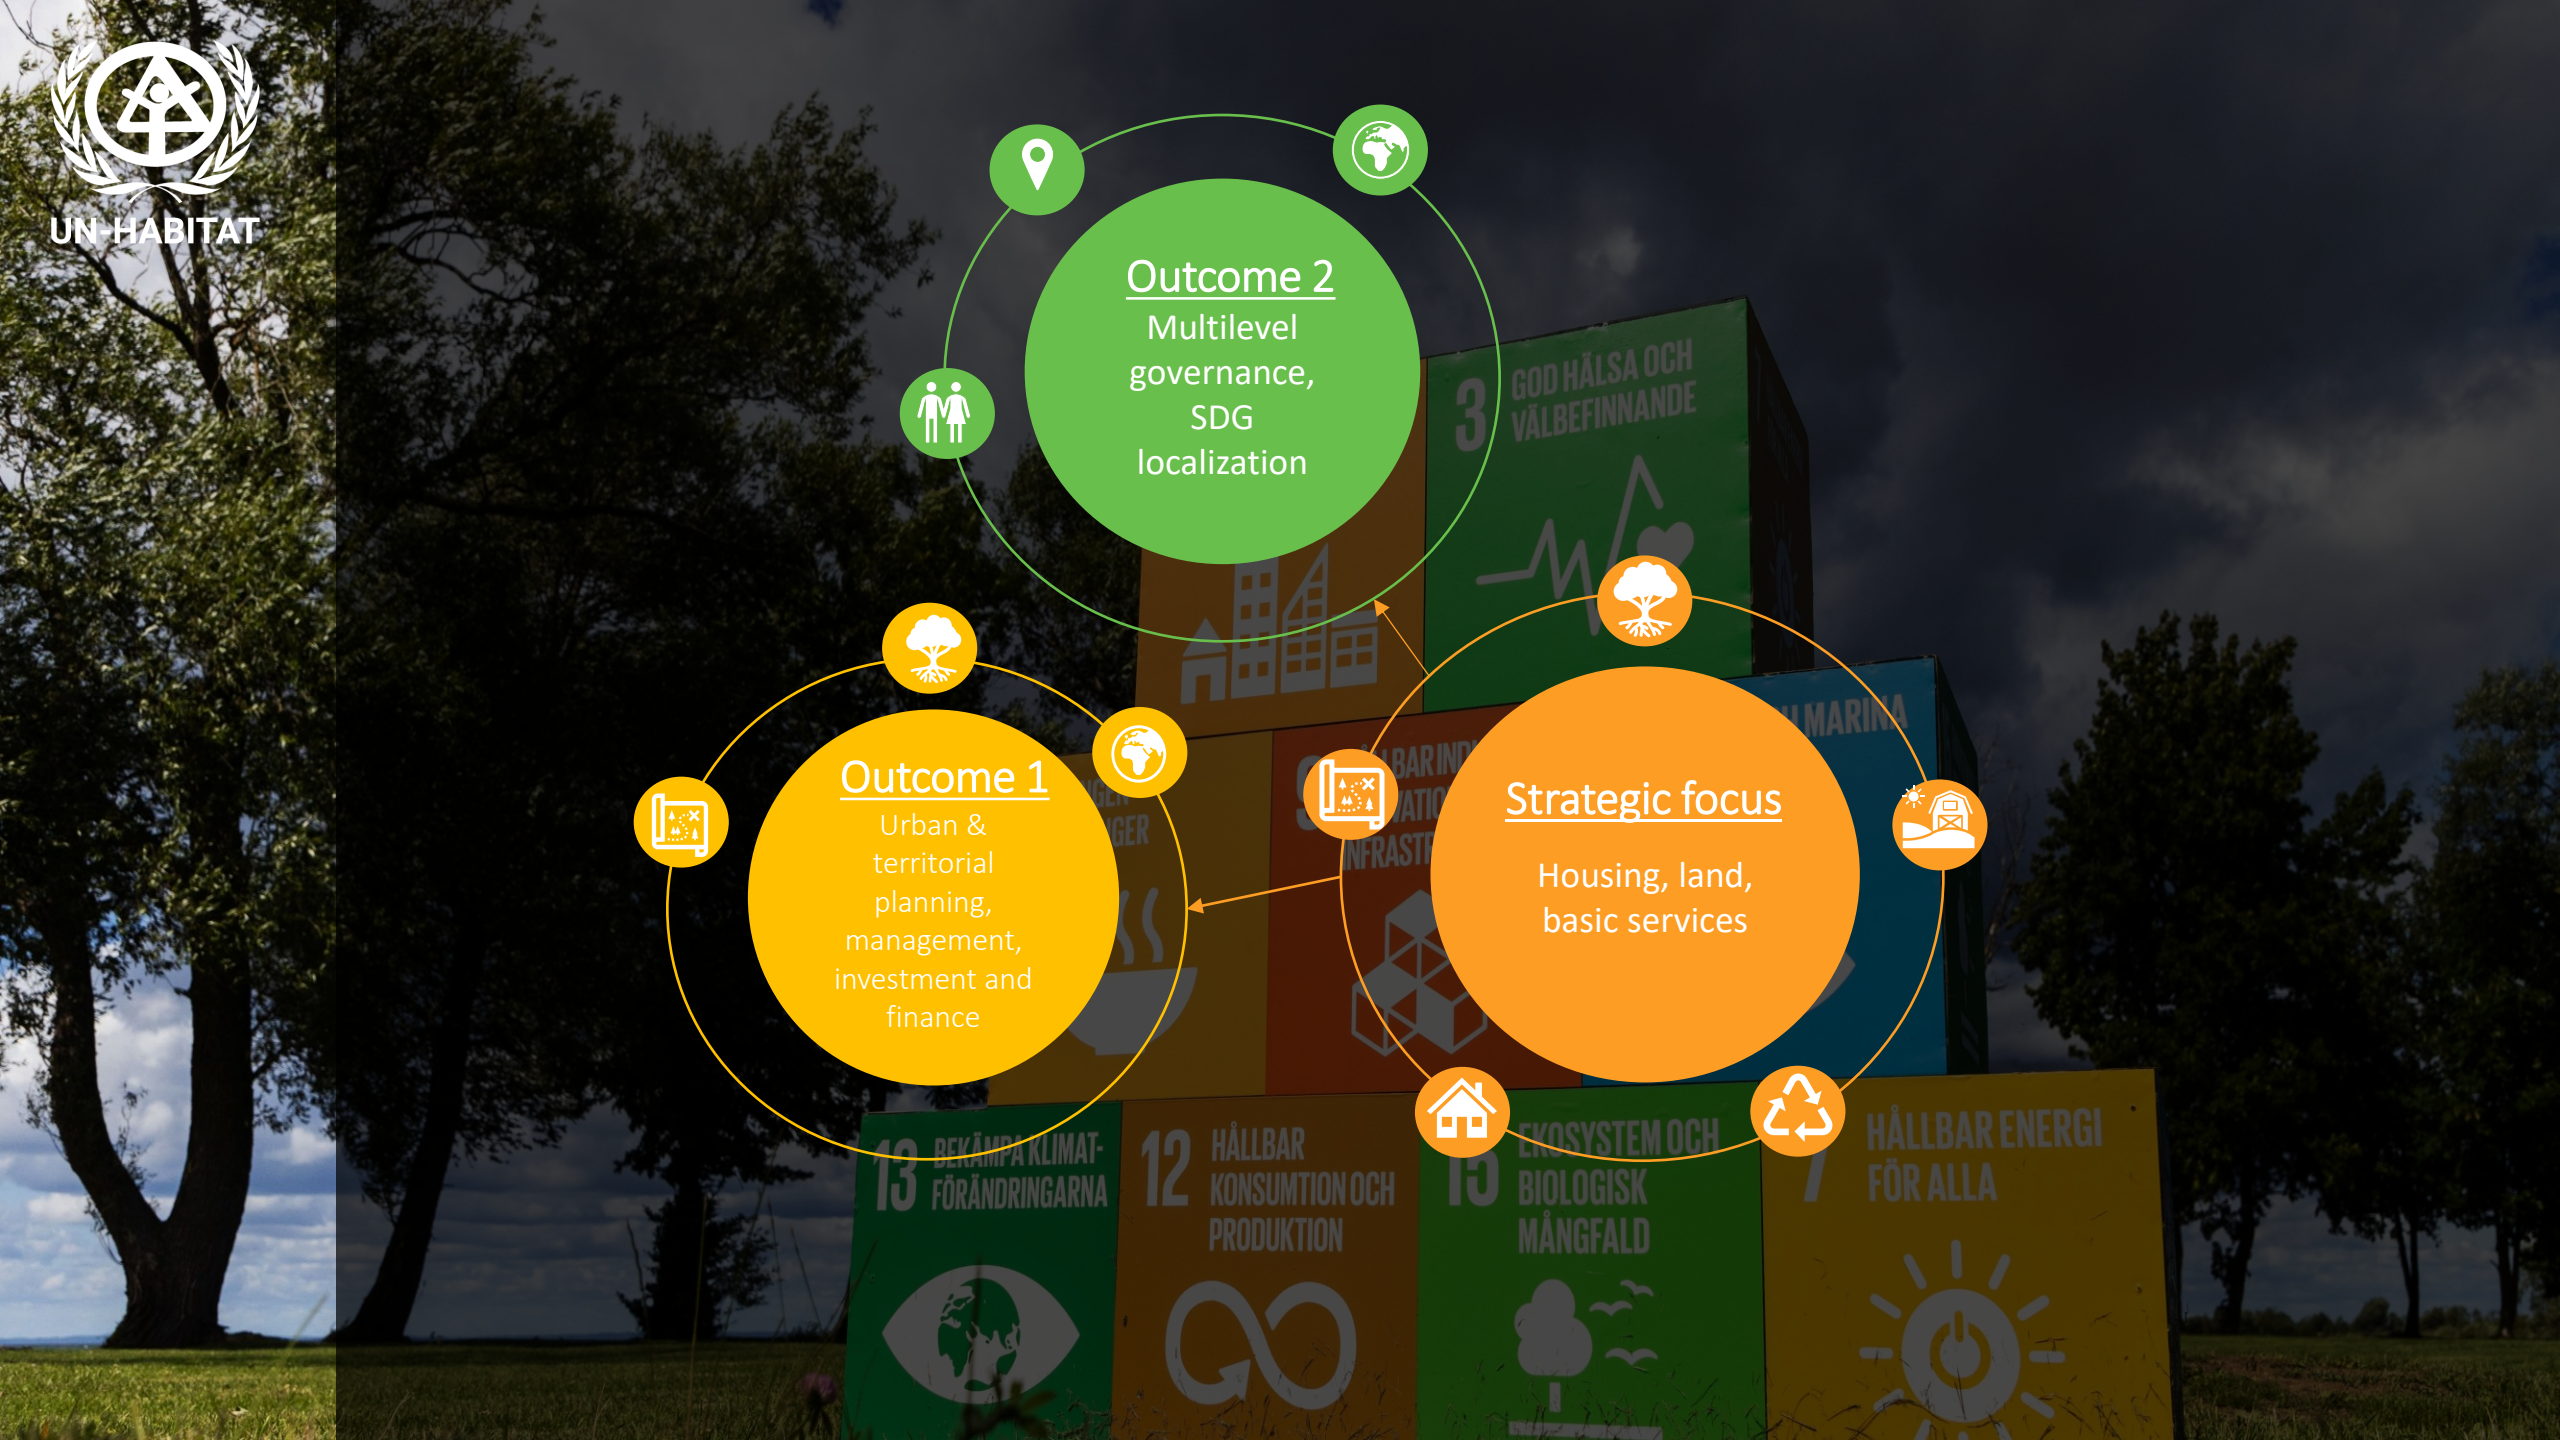
Strategic focus
Housing, land, basic services



Resolution 2/4- Biodiverse and resilient cities

Resolution 2/8 – Urban planning and sustainable development

- UN-Habitat has accelerated the **mainstreaming of biodiversity and ecosystem services** into urban and territorial planning
- **Our City Plans** platform has expanded its tools, case studies and thematic content.
- The **Capital Investment Planning Methodology Guidelines** are under review and set to be applied beyond India, Indonesia, and Kyrgyzstan to Mozambique - with ongoing discussions with the World Bank.
- The **Atlas on Urban Regeneration**, developed with the Sustainable Urban Regeneration Lab of Bocconi University, launched at WUF12.
- **Urban labs** continue to provide technical assistance for integrated planning and infrastructure development.



UN-HABITAT
Outcome 2
Multilevel governance, SDG localization
Outcome 1
Urban & territorial planning, management, investment and finance
Strategic focus
Housing, land, basic services
3 GOD HÄLSA OCH VÄLBEFINNANDE
13 BEKÄMPA KLIMATFÖRÄNDRINGARNA
12 HÅLLBAR KONSUMTION OCH PRODUKTION
15 EKOSYSTEM OCH BIOLOGISK MÅNGFALD
7 HÅLLBAR ENERGI FÖR ALLA

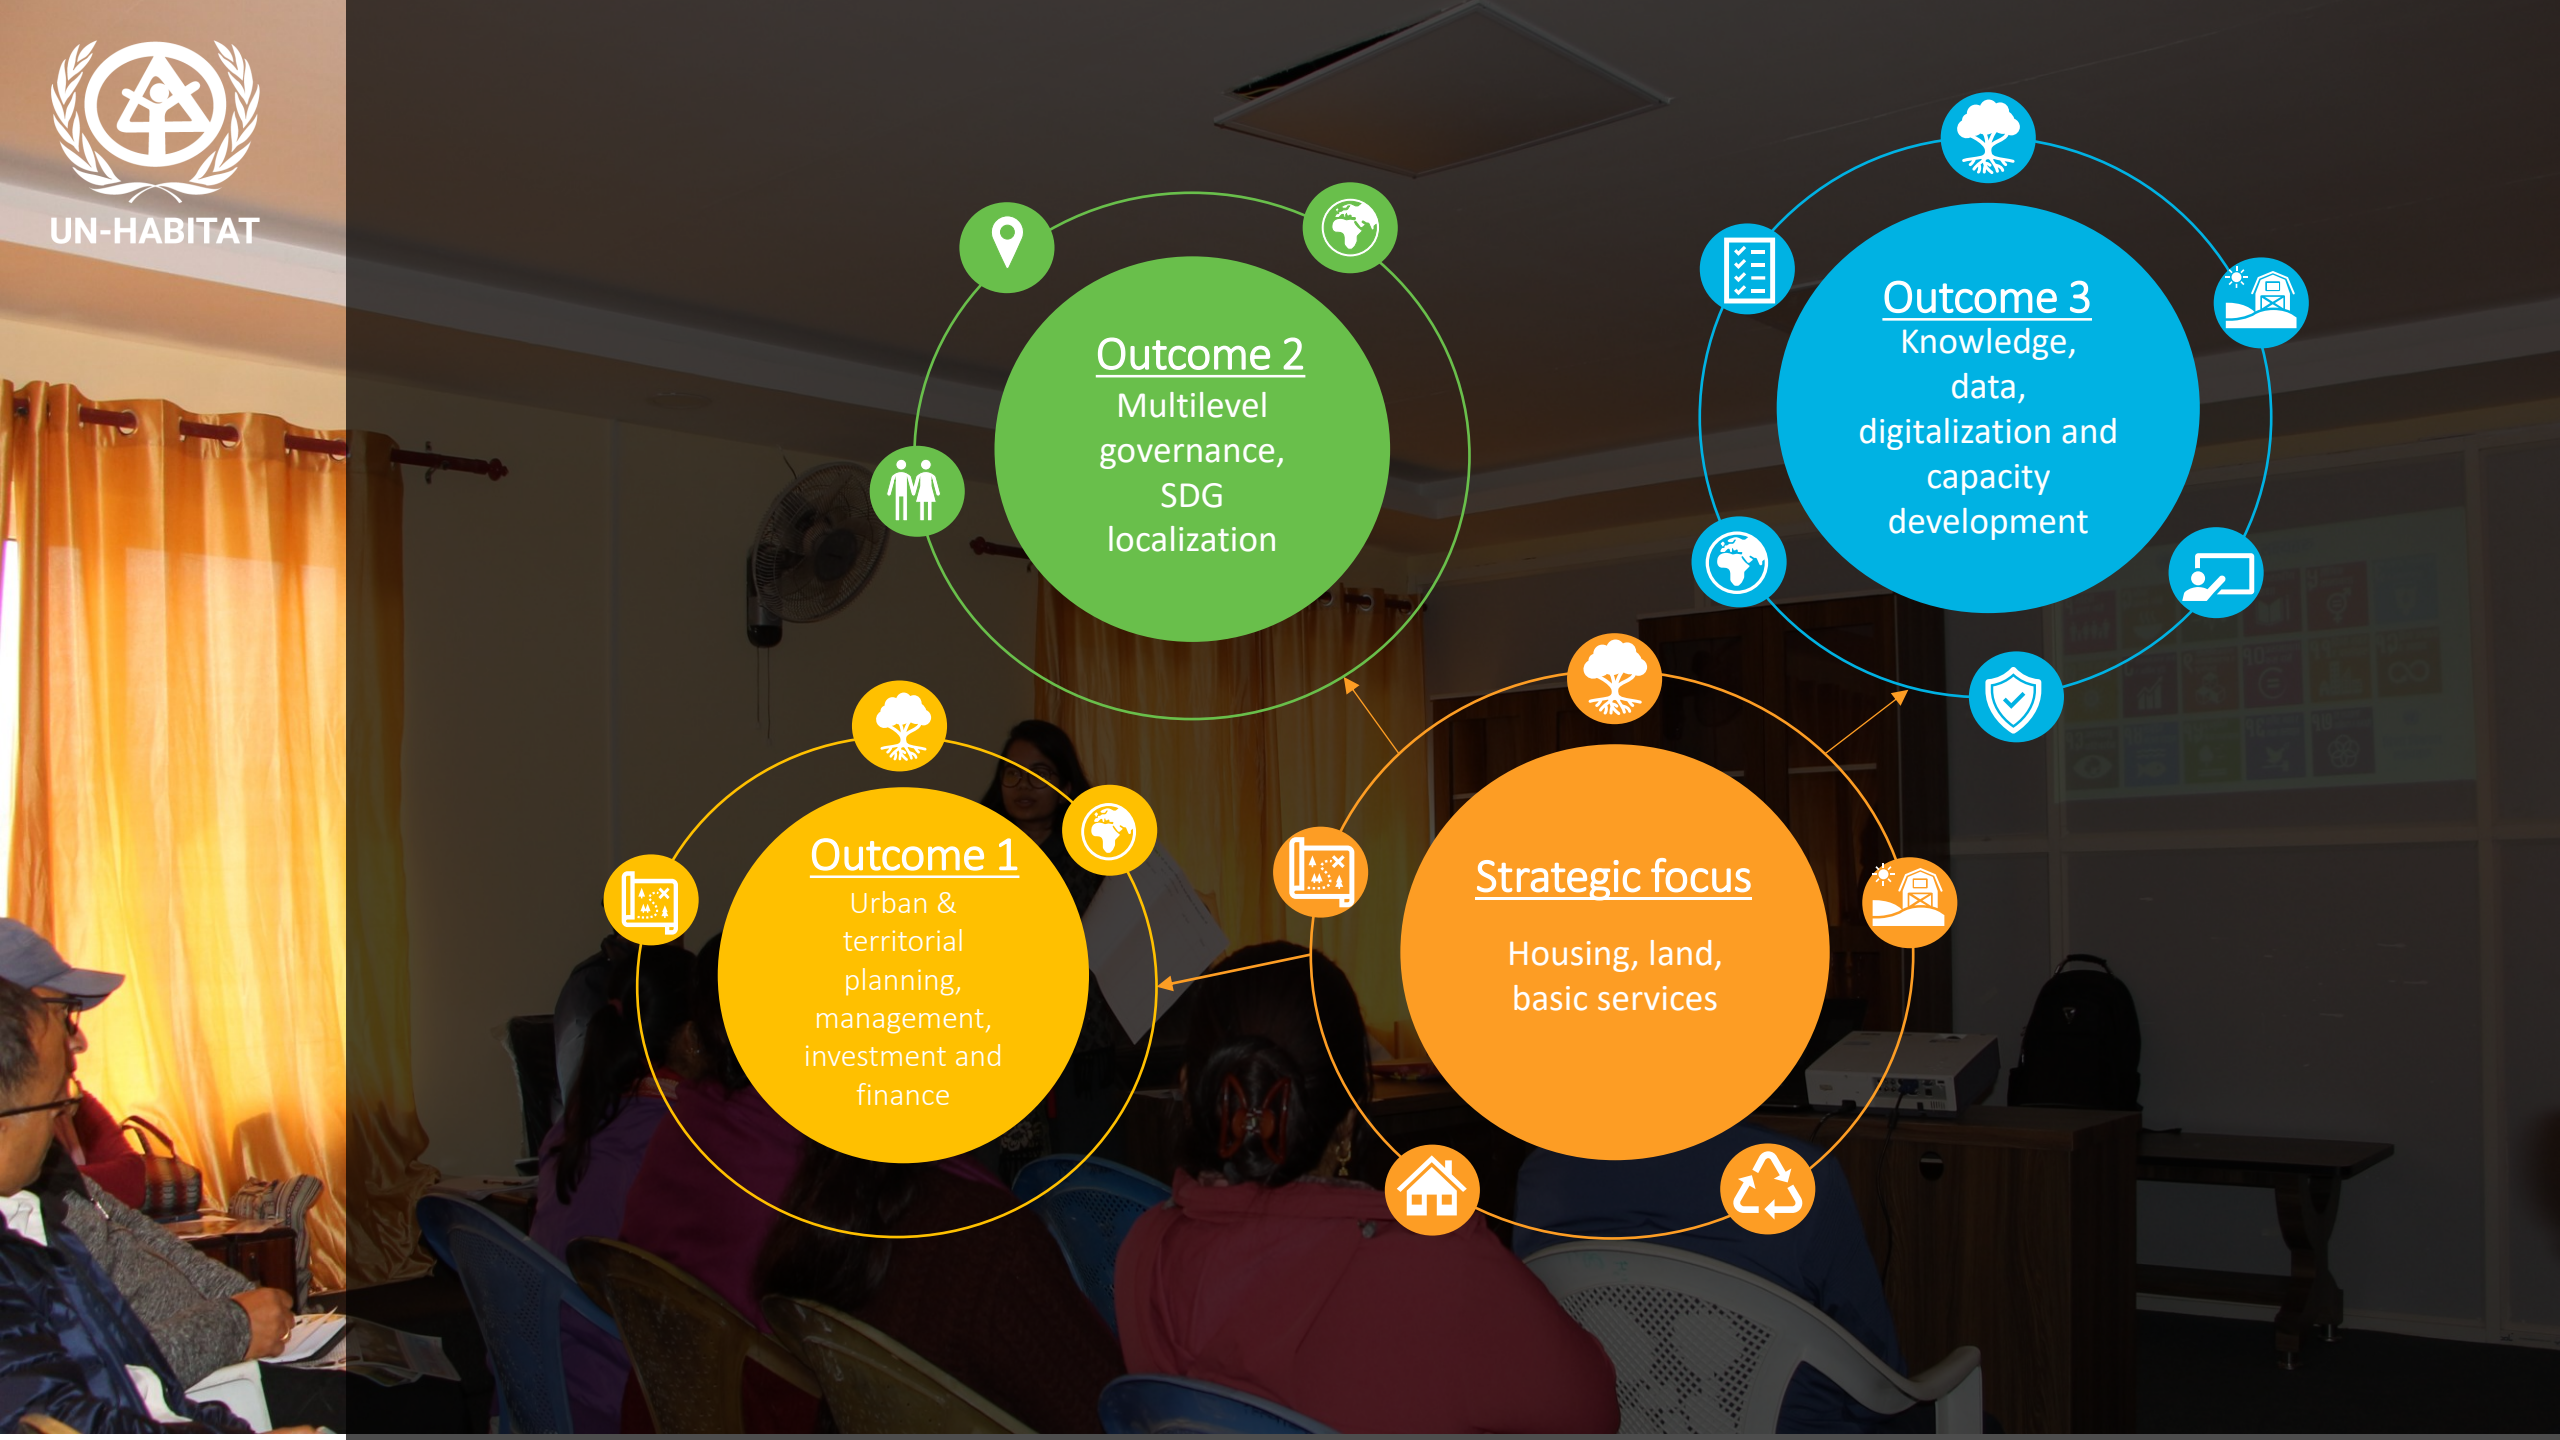
Resolution 2/6 – Localizing the SDGs

Resolution 1/4 – Achieving gender equality

Resolution 2/5 – Enhancing the interlinkage between urbanization and climate change resilience

- The Local2030 Coalition, in partnership with the Joint SDG Fund, channeled USD 24 million to local financing solutions in eight countries.
- The Partnership Platform on Localizing the SDGs continues to support National SDG Localization Frameworks in Tunisia and Senegal, with funding from Italy. Nine more countries joined as partners.
- The UN Gender Marker on financial expenditure on gender equality and women's empowerment fully operationalized across UN-Habitat.
- The fourth Ministerial Meeting was held at COP30, hosted by the presidency (Brazil) and co-organized by UN-Habitat, advancing the dialogue on multilevel climate action.
- Through the SURGe initiative, an NDC3.0 tool has been developed; an initial analysis of the NDCs 3.0 was launched at COP30. SURGe received a significant boost thanks to funding from the government of Slovakia.

UN-HABITAT



Outcome 2
Multilevel governance, SDG localization
Outcome 3
Knowledge, data, digitalization and capacity development
Outcome 1
Urban & territorial planning, management, investment and finance
Strategic focus
Housing, land, basic services

Resolution 2/1 – International Guidelines on People-centred Smart Cities

Resolution 1/3 – Enhancing capacity-building

- UN-Habitat and ITU signed an MoU to collaborate on people-centred smart cities as well as on areas such as digital connectivity and inclusion, technology-enabled urban development, urban data, etc.
- UN-Habitat Learn platform, created in 2021, supports innovation for learning through the digitalization of high-impact solutions pilot tested on the ground. The platform currently offers courses on 25 topics in eight languages and has more than 17000 users.
- The GeoAI Toolkit for Urban Planners was launched in December 2025

UN-HABITAT
Outcome 2
Multilevel governance, SDG localization
Outcome 3
Knowledge, data, digitalization and capacity development
Outcome 1
Urban & territorial planning, management, investment and finance
Strategic focus
Housing, land, basic services
Outcome 4
Partnerships, coalitions, advocacy, communication

Resolution 2/3 – World Cleanup Day

- World Cleanup Day 2025 observed at UNON, focusing on **textile waste**.
- Let's Do It! World, a UN-Habitat knowledge partner on cleanups, organized a **live transmission from Kyiv on the theme "Strive for five!"**, a call for 5% of the global population to participate in cleanups in September.
- The city of **Shaoxing** (Shaoxing Municipal People's Government) in China was selected to host World Cleanup Day in 2026.

UN-HABITAT

Resolution 2/10 –

Equitable **financing** and effective **monitoring of the implementation** of resolutions adopted by the United Nations Habitat Assembly
