

United Nations Human Settlements Programme

Office in Spain (Madrid)

ANNUAL REPORT 2016

UN-Habitat in Spain is composed of an Office in Madrid and two Programme Offices in Barcelona: the GWOPA¹ Secretariat (Global Water Operator Partnerships Alliances) and the CRPP² Office (City Resilience Profiling Programme). The objective of the Office in Madrid is to act as a liaison office between the Spanish government and the Habitat Agenda partners in Spain. This Office also adds value to UN-Habitat's work in its relations with Spain in selected areas of collaboration.

The Madrid Office supports the monitoring of all initiatives supported by Spanish partners and the implementation

of UN-Habitat's mandate through knowledge management, sharing of information, strategic partnerships, effective communication, resource allocation, implementation of activities, and promotion of policy dialogues on sustainable urban development.

Based on the foregoing, this Office:

- Promotes and keeps institutional representation and liaison with the Spanish partners and other Habitat Agenda partners in Spain.
- Promotes knowledge, advocacy and visibility of the UN-Habitat priority

areas, and the process towards the New Urban Agenda already approved in Habitat III. Particularly, the Office supports the Spanish Habitat Committee and other partners of the Habitat Agenda in related activities.

- Strengthens existing strategic partnerships, promotes new collaboration agreements, and supports fundraising and resource mobilization efforts.
- Supports the design, implementation and follow-up of initiatives and projects funded by Spanish partners.

UN –HABITAT OFFICE IN SPAIN STRATEGIC AREAS 2016

Fully aligned with the UN-Habitat Strategic Plan 2014-2019 and its seven thematic areas, the UN-Habitat Office in Spain reinforces awareness and knowledge sharing on the relevance and coherence of UN-Habitat's mandate, along with sound expertise and efficiency in project implementation and execution by:

1. Liaison and institutional relations with the Spanish Government and other partners of the Habitat Agenda in Spain;
2. Implementation of and support to UN-Habitat operational technical activities;
3. Effective communication, advocacy and fostering of the New Urban Agenda in Spain;
4. Fostering strategic partnerships and resource mobilization.
