

LEGAL CHALLENGES TO GUARANTEE HUMAN RIGHTS IN URBAN PLANNING AND URBAN DESIGN FOR LATIN AMERICA METROPOLITAN ZONES

Bring key elements for the creation of a pattern of sustainable urban growth, considering a new legal system of urban planning, economic and urban design focused on Human Rights in Latin American Cities and Metropolitan Zones. Facilitate multidisciplinary discussion about the challenges to the consolidation of a Universal Legal framework in Human Rights to allow the recognition and the effective guarantee of Human Rights in Urban Legislation, Urban Plans, Urban Design, Judiciary Systems and Juridical Instruments in Latin-American cities and others.

The side event is hosted by the CNJUR Mexico.

Presenter

Pablo Francisco Miguel Aguilar Gonzales
